Dedication

This 1954 Log is dedicated to the sports and coaches of Mar Vista High School.

These coaches: Mr. Coover, Football; Mr. Cox, Track; Mr. Milke, Basketball; and Mr. Ganzer, Baseball; have instilled to make men from boys. They have been teachers and friends to these young men and to the school.

This Log is also dedicated to the boys who worked on the scene of sports and behind the scenes.

During the football season, they won their first Metro League game and continued to win for the remainder of the season, coming in fourth.

The basketball team came in second at the Kiwanis Tournament Limited and fourth in the Metro League.

Records were broken during track season and new ones made.

Our baseball team held their position of last year as first in the Lions Tournament Limited.

This has shown the growth of spirit and of prestige that our young people want to develop as Mariners. These people have started on the climb upon the ladder of recognition in sportsmanship and young manhood.

Dear Seniors of 1954:

After the excitement of Senior Activities, each one will realize the meaning in being a graduate from a High School. The diploma granted you symbolizes, at this stage of your life, certain achievements, in terms of maturity, scholarship, and citizenship. The effectiveness of twelve years of schooling depends upon the use of your knowledge and achievements.

Some of you will continue your education in Junior Colleges, Colleges, Universities, and trade schools, others of you will go forth into the business world. Whatever you do, the knowledge and skills gained as a student will be called upon. Mar Vista wants to be proud that it had a share in your destiny and future living. Therefore, keep in mind always the traditions and ideals you helped to establish while a Mariner and build upon those principles. Remember, once a Mariner, always a Mariner.

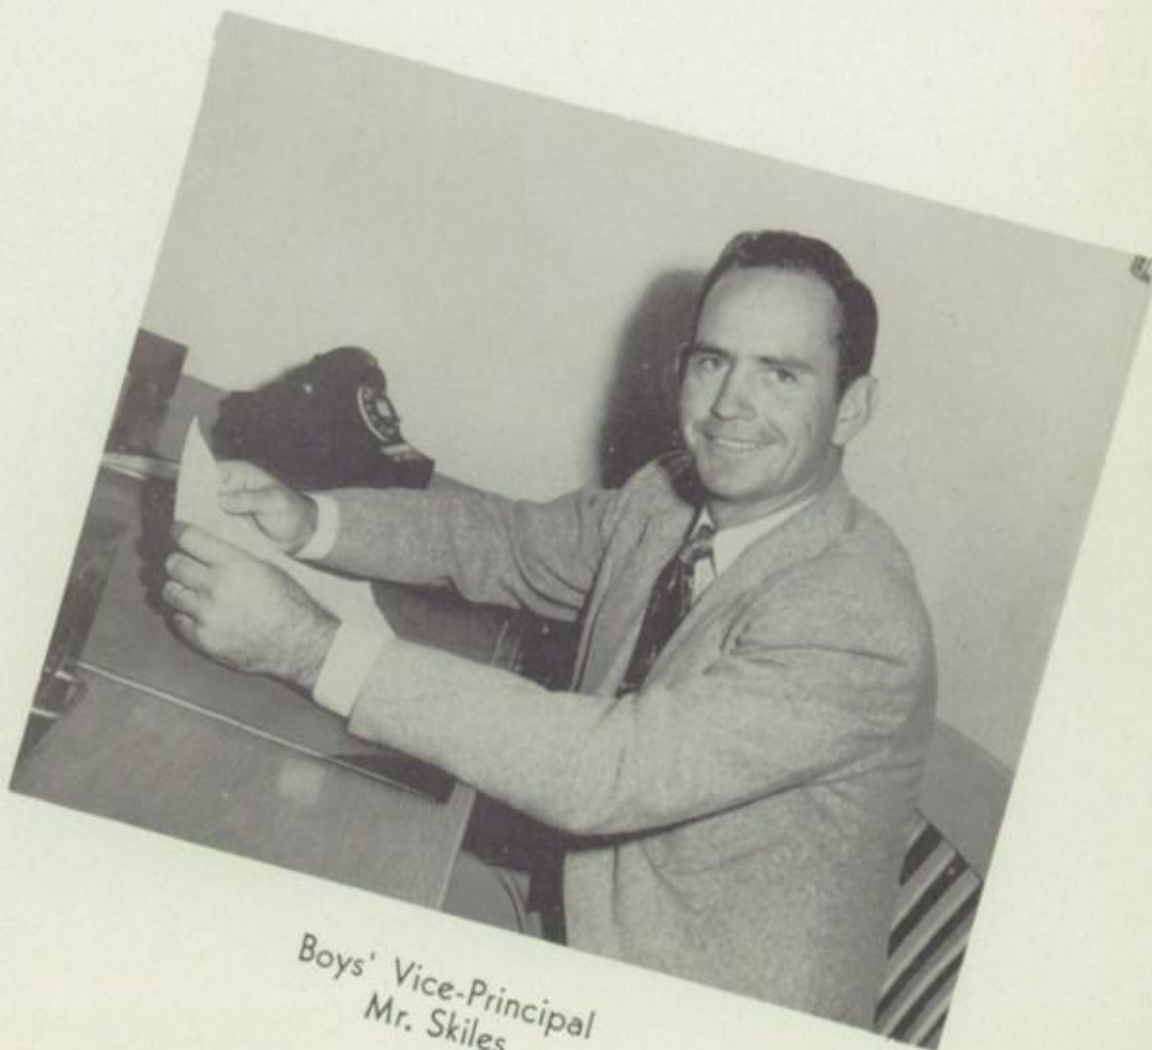

I wish to you, from all of those you leave behind, happiness and goodwill where ever you may go.

Aloha to all,

Who's

On these two pages are pictured a few of the senior students who helped make Mar Vista a better school. They represent, through our democratic A.S.B. government, many others who worked behind the scenes and received little recognition for the vital part they played.

It is students such as these that bring recognition to MVHS and will bring honor to our school in later years.

Who

1. **Senior Class Officers**, who led our class and made possible our many different activities.

2. **Evelyn Teyssier**, Drill Team Captain, Commissioner of Activities. Remember our dances and Twirp Season.

3. **Cheerleaders**, who tried so hard to keep up our spirits and get us to yell.

4. **Wally Wolfe**, Sea Breeze editor, who with his staff published our school paper.

5. **A.S.B. Officers**, established a democratic government and were always on the go to keep us a democracy.

6. **Loretta Entreken**, Pom Pon Captain, CSF Treasurer, always doing her share.

7. **Songleaders**, helped to keep our spirit alive with their cute routines.

8. **Edna Aragon and Judy Maky**, Log Co-editors, worked hard producing a good annual for the students of our school.

BOEING B-52

This is the giant new Boeing B-52 — and this picture explains exactly what Rohr is famous for: Building power packages — like the jet pods for this new Stratofortress — and other equally famous commercial and military planes.

In addition, Rohr aircraftsmen are currently producing more than 25,000 different parts for all types of airplanes.
